Principal Message *by Mr. Bilyeu*

What a great start to the School Year! Since I came to Drumright in 2004, I have always thought that we had some of the best students around. Softball team has kicked off our year doing really well. Looking for a history making season. Football team is heading to Quapaw as I am writing this. Looking forward to seeing the Band and Cheerleaders perform. Love the way our students are being respectful, keep it up! Remember that today we are having a celebration for Mrs. Carter being a finalist for Teacher of the Year of Oklahoma and Bluebell Ice Cream is providing free ice cream to the student body this afternoon.

Welcome Back Students

by Alexander J. Boudreau

Welcome back students and friends to Drumright Schools, this year we are starting something new by having a school newspaper; although you are reading it now... don't question it. This year we have started off with some new rules such as the no buying snacks or soda (No I will not say pop, I will only call it soda, or its brand name) during passing period. We are still able to buy them during lunch or before school; so if you are tired and needing some energy in the morning or you just want some candy, buy at those times. What else has changed? Well, I guess some teachers switched rooms; but eh we already

know that! Touché, touché but have a great year, and hopefully you will enjoy the newspaper!

Marching Band

by Randi Hammock

On July 28th the marching band started six hour days working on the halftime show. They have worked extremely hard as they do every year! You can see the Pride of Drumright at every football game supporting the Drumright Tornado football team and the cheer squad. **Come and support the cheerleaders, the football team, and the Pride of Drumright at the first home football game of the season against Mounds starting at 7:00 PM.** Enjoy the band playing pep tunes and of course the halftime show!

Student Organization Overview

by Kory Kellogg

The **academic team** attends competitions. When you go to competitions they ask your team and the other team a bunch of diverse questions. There are a lot of subjects that they ask about, which is why they prepare at the meetings. There are also different types of events. If you have any questions, please come find Mr. Nance.

At the first meeting of **book club** you are given a novel to read. Then at the next meeting you have a discussion about what you’ve read. If there is a movie that goes along with the book, then they will watch it at one of the meetings. If you have any questions, please come find Ms. Riley.

C.C.C is a place for students to come together and experience God's love. The purpose is to get kids together to learn about God. We frequently play games or have interactive devotions so that way everyone is involved. One of the things I love about C.C.C. is it is student lead which means the leaders are going to the same school as you and are the same age as you. Furthermore, they could be going through the same problems as you. If you have any questions, please come find Kory Kellogg.

The purpose of the **FBLA** chapter is to provide additional opportunities for secondary students to develop vocational competencies for business occupations. FBLA is an integral part of the instructional program and promotes a sense of civic and personal responsibility. If you have any questions, please come find Mrs. Haines.

The **National FFA Organization** webpage located at www.ffa.org states that FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

The **National Honor Society** webpage located at www.nhs.us states that membership in the National Honor Society (NHS) is based on a student’s fulfillment of four requirements. Members of the junior and senior class who meet all four requirements and complete an application will be admitted to the National Honor Society.

ORGANIZATION	ADVISER	REQUIREMENTS
C.C.C.	Kory Kellogg	Nothing
FBLA	Mrs. Haines	\$20 before September 29 th
Academic Team	Mr. Nance	Nothing
Student Disciples	Mrs. Prewitt	Sign up. At the signup sheet soon to be posted
Book Club	Ms. Riley	Once you have signed up you HAVE to come to every meeting

NHS	Mrs. Haines	You must have a G.P.A. of 3.5 every year and you must be a junior or a senior.

In **student disciples** Mrs. Prewitt talks to the group about God. They sometimes watch a video which goes along with the lesson every week. You will also get a handout that describes the lesson. As an added bonus,

you don’t have to bring your lunch to student disciples, because Mrs. Prewitt provides pizza every week.
