S.YA.T.P. Update

by Kory Kellogg

Wednesday the 27th of September the elementary school hosted this year's see you at the pole. It all went pretty well, they opened in prayer, said a message, and talked for a little bit. They had a mass prayer and then prayed to dismiss and then went to breakfast and/or first hour. A quote from Kory Kellogg the organizer of this year's See You At the Pole "I thought it went very well I can't wait for next year see you at the pole. It's one of the greatest opportunities for me and a bunch of other students that get to come. I love the privilege of getting to host see you at the pole and to organize it." It would be safe to say that were at least 150 people that attended or even more. We usually have that many there but we grow every year thanks to the love and support from Drumright public schools and the churches in Drumright Oklahoma.

Faculty and Staff Spotlight

Ms. Sue Burkett

Sue Burkett known to her students as Ms. Burkett has three traits that define her. These include loyalty, honesty and adventurous. Ms. Burkett has one dog an English bulldog named Barkley (he's a dur-da-dur dog)!! :) When asked what her personal philosophy she said, "Be proud of whatever you do." Something that might surprise you about Ms. Burkett is she knows how to twirl a baton. Ms. Burkett's favorite thing about working at Drumright is she loves the kids here. True leadership to Ms. Burkett is someone who wants to follow you without being told. Ms. Burkett enjoys listening to 95.5 K-Hits and reads The Bible. Her favorite thing to do includes griping and yelling. She attended college at O.U. and graduated high school at Sooner High School in Bartlesville, OK. Her biggest inspiration is God. The best place Ms. Burkett has traveled is Spain. Some insight on Spain from Ms. Burkett, "I walked where Jesus walked." She also stated, "Sand dunes cover the road daily." She also visited where the Atlantic Ocean met the Mediterranean Sea and the Rock of Gibraltar.
