- D. By administrative action, if the student has had ten (10) consecutive unexcused absences.

Placement and Assignment: Students, including students who have been home-schooled, shall be assigned to a grade level or class based upon an assessment of the student’s age, maturity, grades received, standardized test results, and/or abilities in accordance with Administrative

Regulations.

Students transferring into District from a school not accredited by the Oklahoma State Department of Education (OSDE) or enrolling in District immediately after being a home-schooled student, shall be required to take comprehensive written examinations in the subjects studied or grades attended in the nonaccredited school. Results of the examinations will be utilized in determining the academic units or grade levels for which a student is to receive credit. In order for a student to enroll in courses that have prerequisites, the student must have passed the proficiency exam for that prerequisite. Proficiency must be demonstrated by exam on all courses required for graduation from District. Exams will be given only for courses offered at District. Copies of the exams and their results will be placed in the student's file.

A parent or guardian of multiple-birth siblings may request that the children attend the same school and be placed in the same classroom or in separate classrooms if the children are in the same grade level at the same school and meet the eligibility requirements of the class. The parent or guardian must request the classroom placement no later than fourteen (14) days after the first day of each school year or fourteen (14) days after the first day of attendance of the children during a school year if the children are enrolled in the school after the school year commences. The school may recommend classroom placement to the parents and provide professional education advice to the parents to assist them in making the best decision for their children's education. A school must provide the placement requested by the children's parent or guardian, unless the Board makes a classroom placement determination following the school principal's request. At the end of the initial grading period, if the school principal, in consultation with the children's classroom teacher, determines that the requested classroom placement is disruptive to the classroom environment, the school principal may request that the Board determine the children's classroom placement.

Placement of Student Victims: Upon the Superintendent's receipt of notice from a juvenile bureau that a student of District has been adjudicated, or that adjudication has been withheld, an offense subject to the Juvenile Sex Offender Registration Act, District shall notify the victim and parent or guardian of the victim of their right to request to be separated from the offender at school and during school transportation. If the victim requests to be separated from the offender, District shall take appropriate action as required by law. The decision of the victim shall be final and not reversible.

Student Transfers: Subject to certain exceptions provided for by law, the transfer of a student from the district in which the student resides to District shall be granted at any time during the school year unless the requested transfer exceeds the capacity of the grade level sought for each school site within the District. District's Board will meet by the first day of January, April, July and October each year to establish the number of transfer students the school has the capacity to accept in each grade level for each school site within the District. District's capacity will be published on District's website and reported to the State Department of Education ("SDE"). District's capacity is as follows:

- **Pre-kindergarten:** No more than 20 students per classroom or 10 students per adult in the classroom.
- **Kindergarten:** No more than 20 students per teacher (excluding PE and Music

classes), unless an additional class would have fewer than 10 students or unless a teacher's assistant is hired.

- **Grades 1-3:** No more than 20 students per teacher (excluding PE and Music classes), unless an additional class would have fewer than 10 students or unless a teacher's assistant is hired.
- **Grades 4-6:** No more than 20 students per teacher (excluding PE and Music classes), unless an additional class would have fewer than 16 students.
- **Secondary:** No more than 140 students per day (excludes PE and music classes).

In order for a student to be transferred, the parents of the student must first submit an application form specified by the State Board of Education ("SBE") to the District Superintendent. If the capacity of a grade level for each school site within the District is insufficient to enroll all eligible students, District shall select transfer students in the order in which District received the student transfer applications.

A transfer may be denied if it will exceed enrollment capacity, or for student discipline as provided for in § 24-101.3 or for attendance issues. "Attendance Issues" are defined as ten or more absences in one semester that are not excused for the reasons provided in 70 O.S. § 10-105 or due to illness. District will begin receiving applications for the subsequent school year on or after January 1st each school year. District will not approve or deny transfer applications until after the Board's July 1st capacity determination.

All student transfers previously granted will remain in effect unless the District takes action to deny a future year's attendance based on discipline or attendance issues as previously stated herein. If District intends to deny a student's continued transfer, the parents or guardians will be notified by or before July 15th. If the grade a student is entitled to pursue is not offered in the student's resident district, the transfer will be automatically approved.

A student whose parent or legal guardian is employed by the District shall be allowed to transfer to the District regardless of capacity. Any child in the custody of the Department of Human Services ("DHS") in foster care who is living in the home of a student who transfers to the District may attend the District as provided for by law.

The brother or sister of a student who transfers to District may attend school in the District regardless of capacity so long as the brother or sister does not meet the criteria for denial provided herein. Applications will be considered in the order in which they are received by the District and a separate application must be submitted for each student who desires a transfer.

On or before the first day of January, April, July and October, the Superintendent will file with the SBE and each resident district a statement showing the names of the students who were granted transfers, their resident districts and their grade levels.

If a transfer request is denied by the District, the parent of the student may appeal the denial to District's Board within ten (10) days of the notification of the denial as provided for by law and regulation. District's Board will consider the appeal at its next regularly scheduled board meeting so long as the appeal is received prior to the statutory deadline for posting the Board

agenda. If the appeal is not received prior to the deadline for posting the agenda, the Board shall schedule a special meeting to consider the appeal. The appeal process will be paper-only and the review of documents will take place in executive session in order to protect student privacy. During executive session, the Board will review written documentation from the Superintendent regarding reasons for the transfer denial and information from the parent/guardian regarding why the transfer should have been approved. The vote to uphold or reject the Superintendent's transfer denial will be held in open session.

If the Board upholds the denial, the parent may appeal the denial to the SBE within ten (10) days of the notification of the Board's decision. The SBE will adopt guidelines for this process.

Special Education and Gifted Education Transfers: Transfers regarding these students will be considered in accordance with law and SDE regulations.

Military Parent Transfers: Students who are dependent children of a member of the active uniformed military services of the United States on full-time active duty status and students who are the dependent children of a member of the military reserve on active duty orders shall be eligible for admission to the District regardless of its capacity if: a) at least one (1) parent of the student has a Department of Defense-issued identification card; and b) at least one (1) parent can provide evidence that he or she will be on active duty status or active duty orders, meaning that the parent will be temporarily transferred in compliance with official orders to another location in support of combat, contingency operation, or a natural disaster requiring the use of orders for more than thirty (30) consecutive days

McKinney-Vento Act: The Education for Homeless Children and Youth ("EH CY") program is authorized under the McKinney-Vento Homeless Assistance Act ("McKinney-Vento Act"), as amended by Every Student Succeeds Act ("ESSA"). The mission of the EHCY program at the Oklahoma State Department of Education ("OSDE") and District is to ensure educational equity and success for students experiencing homelessness by providing support according to the McKinney-Vento Act.

Homeless children and youth are defined as those who lack a fixed, regular, and adequate nighttime residence. Determinations will be made on a case-by-case basis as provided for in the Student Handbook. The District McKinney-Vento Liaison is Jessica Spracklen and may be reached at 918-352-2017. Each site will also have a McKinney-Vento liaison, who can be reached through the Administration office at each school site.

The McKinney-Vento Act provides homeless children and youth the following rights:

1. To immediately enroll in school;
2. To attend school in school of origin or in the attendance area where the family currently resides;
3. To receive transportation to school of origin if requested by parents/guardians/unaccompanied youth and is in the best interest of the child;
4. To receive comparable services as other schoolmates including but not limited to transportation and supplemental services;
5. To attend school along with children who are not homeless;
6. To have their rights posted in all schools and other places around the community that low-income families and high-risk families may visit.

7. To be free of segregation and stigmatization with the nature of their living situation remaining confidential under the Family Educational Rights and Privacy Act (“FERPA”).

District Responsibilities: District will immediately enroll the child or youth, even without records that are normally required for enrollment, or if the child or youth has missed application or enrollment deadlines during a period of homelessness. District will assist with obtaining immunizations or other required health records. District will presume that the school of origin is in the child’s best interest and will continue such enrollment even if the child becomes permanently placed during the academic year unless contrary to the request of the parent, guardian or unaccompanied youth. District will enroll the homeless child or youth with non-homeless students who live in the attendance area in which the child or youth is living and eligible to attend. District will consider student-centered factors related to the child or youth’s best interest and will provide a written explanation of the reasons for the decision, including information regarding the right to appeal if District sends the child to a school other than the one requested. District will enroll the child or youth immediately in the school in which enrollment is sought if a dispute arises pending final resolution of the dispute and will provide services comparable to those received by other students in the school. Information regarding the homeless child or youth’s living situation will be confidential and coordination efforts with local agencies providing services to homeless children or youth and their families will be made.

Dispute Resolution: Parents, guardians, or unaccompanied youth experiencing homelessness may disagree with District on issues related to McKinney-Vento services, enrollment, and/or school selection. In most cases, issues can be resolved without outside intervention. When a dispute arises over eligibility, school selection, or enrollment and cannot be resolved independently, the following procedures will be invoked:

- The child or youth “shall be immediately enrolled in school in which enrollment is sought, pending final resolution of the dispute, including all available appeals.
- The parent, guardian, or unaccompanied youth must be provided with a written explanation of any decisions related to school selection or enrollment made by the school, district or state involved, including the rights of the parent, guardian, or unaccompanied youth to appeal such decisions.
- The parent, guardian, or unaccompanied youth must be referred to the local liaison, who will carry out the dispute resolution process as expeditiously as possible.

McKinney-Vento dispute procedures apply to any dispute arising under the McKinney-Vento Act, including disputes over questions such as: eligibility, school selection, participation, and transportation. Every effort will be made to resolve the complaint or dispute at the District level before it is taken to the OSDE. District will inform the Complainant of District’s Complaint Resolution Procedure when a question concerning the education of a homeless child or youth arises.

1. Notify District’s homeless liaison:
 - a. Request a copy of or access to District’s Board policies addressing the education of homeless children and youth and review them. Make an appointment with the homeless liaison to discuss the complaint.
 - b. If the dispute is not resolved at the point, Complainant may file a Complaint in writing to District’s homeless liaison for further review.

- c. The Complaint should include a request that a written proposed resolution of the dispute or a plan of action be provided within five (5) days of the date the Complaint was received by the homeless liaison. A review of the proposal or plan of action with the homeless liaison should follow. An extension may be mutually agreed upon; however, every effort should be made to resolve the Complaint in the shortest time possible.
2. If the dispute is not resolved at the District homeless liaison level, the Complaint may be forwarded to the Superintendent for review followed by a meeting with the Superintendent to discuss the dispute. The Complainant should request from the Superintendent a written resolution within five (5) days of the date of the discussion. The parties may mutually agree upon an extension; however, every effort should be made to resolve the Complaint in as short a time as possible.
3. If the dispute is not resolved at the Superintendent level, the Complainant may take the matter before the Board for resolution. If this effort for resolution fails, the Complaint may be taken to the OSDE.
