Drumright Parents and Guardians,

I hope that you are well and finding some joyful moments at home with your families. We are all adjusting to a new way of life and trying to protect the most vulnerable in our society. At Drumright Public Schools, our focus is on our children.

We have filed an application to be included in the Extended Summer Feeding Plan and had it approved. We are now filing for approval of locations for delivery of meals daily. Not all bus stops are in an approved area at this time and we are working with the state department to make arrangements so that our children can receive meals. This process is time consuming, especially since school districts across the nation are working with the US Department of Agriculture to make this happen for all kids in the country. We are in process and will have details to share soon. Please check the Drumright Public Schools Website for specific information Friday.

A handwritten signature in black ink that reads "Ashley Davis, Ph.D." The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Ashley Davis, Ph.D.

Superintendent

Drumright Public Schools
