January 8, 2021

Parents, Guardians, Students and Staff,

Drumright Public Schools will continue school virtually the week of January 11-15, 2021. The numbers of Covid-19 cases locally jumped dramatically over the holiday, and have come down slightly. Please continue to wash your hands and social distance. The goal is to continue the downward trend of cases so that school may resume in person.

Virtual school will be in session January 11 – 15, 2021.

Martin Luther King Holiday is January 18, 2021.

The school calendar has scheduled a virtual day for January 19, 2021. The school board will vote Monday, January 11, 2021 to possibly change January 19, 2021 from virtual to in person learning. If that vote is to attend school on January 19, 2021, we will resume school in person at that time, **IF** the cases are down. More information will be sent out prior to that occurrence.

Thank you to our school staff, teachers, students and parents for working diligently to make virtual school a success. None of us could have imagined living through a pandemic, and you have handled the challenges wonderfully!

Ashley Davis, Ph.D.

Superintendent
